

Penn Science Olympiad 2021 Invitational Release to Use Image and Likeness

In consideration of the opportunity extended to me to participate in the Penn Science Olympiad 2021 Invitational (*the "Invitational"*), conducted by the Trustees of the University of Pennsylvania ("*Penn*"), on behalf of myself, or the minor child on whose behalf I am signing, I hereby grant to Penn and the Invitational the right to use and to license others to use my or my child's name, voice, actual and/or simulated likeness, caricature, photograph, any biographical material concerning me or my child, and my or my child's participation and appearance in connection with the Invitational, for the purpose of Penn's publicity, promotion, marketing, and fundraising and development efforts, including but not limited to the Invitational, with the understanding that such use may occur without limitation, in any and all languages, formats and media, now known or hereafter devised (including, without limitation, via the Internet).

I hereby grant to Penn the right to photograph, film, or otherwise audio-visually record me or my child (including my or my child's voice, conversation, and sounds), for the purpose of generating media to be used in connection with the rights and license granted above.

I understand and agree that my or my child's appearance hereunder and/or in any media generated by Penn does not constitute employment and no payment will be due for services, and that the Invitational and the images, recordings, and media created in connection with it, as well as the copyright in the same, are and shall be owned exclusively by Penn.

This Release shall be governed by Pennsylvania law, and the parties agree to the exclusive jurisdiction of the courts situated in Pennsylvania for any civil action arising under this Agreement.
